I love playing video games. My parents give me _____ to play them for one hour each day. During that hour they cannot _____ my privacy. I'm allowed to shut the door to my room and they can't _____ while I am busy playing my game. The games I play can be really loud, so my mom made a _____ to buy me a set of head phones to wear. This way she can _____ the noise from the rest of the house. Now, when I blow up a tank, and there is an _____, she can't yell at me to turn down the volume. I also have some games that are educational. There is one game that involves me practicing my _____ facts. Every time I solve a problem right, one of the boxes _____ and I get the points that are hidden inside. That game has really helped me learn how to _____. I have to _____ it. My mom said I would like that game, even though it is education - and I really do. It's almost time for my hour of fun. 60 minutes - here I come!

Directions: Read the story. Use the colors in the chart to highlight each spelling pattern in the story above. Then, write the words in the correct column below.

| base -de RED | sion BLUE | base -it GREEN | ission ORANGE |
|-------------------------------|----------------------------|---------------------------------|--------------------------------|
